

EACH DAY IS CHALLENGING.
EACH DAY IS DIFFERENT.
EACH DAY IS REWARDING...

JOIN THE FIGHT FOR PUBLIC HEALTH.

The U.S. Public Health Service Commissioned Corps is an elite team of officers dedicated to protecting, promoting, and advancing the health and safety of our Nation. Our officers fight against disease, respond to public health emergencies, and provide care to those who need it most.

If you're ready to make a real difference in people's lives, the Commissioned Corps needs officers to serve in a variety of clinical and research positions. We also need officers to serve in other specialties to support our public health mission, such as mental health, engineering, and information technology.

The career opportunities are outstanding—the personal rewards are priceless. We offer:

- Competitive starting pay that increases with promotions and years of service
- Thirty days of paid vacation per year—beginning the first year
- Health care and dental care at no cost
- Tax-free housing and meal allowances
- And much more!
